ABOUT THE SHOOT...

Local Law Enforcement is joining together to raise money for a Tucson Local Youth Club—The Tucson Shooting Stars a Scholastic Clay Target Club. The teams will consist of a Law Enforcement Team Leader, three other members—Team Choice and a SCTP member. The teams will be shooting the Coyote 50 (Sporting Clays) at Tucson Trap and Skeet on October 18th, 2008.

Sporting Clays is a form of clay pigeon shooting . Often described as golf *with a shotgun*. We will place a youth shooter on your team—unless you have one in mind—if so , please put the name of the shooter on your registration form.

All proceeds will help support Tucson SCTP with training, clay targets, shotgun shells, continuing education, and traveling for State and National Competitions.

In turn, the youth have put together a Shooting Flurry game to raise money for families of fallen officers. The Flurry will cost \$ 10.00 per person and will be open most of the day.

Each Team will be scored using the Lewis Classification—Awards will be presented in each class.

Tucson Trap and Skeet is the home range for the Tucson Scholastic Clay Target Program. The program is a National program set up to teach our youth safety, responsibility, and sportsmanship. The USA shooting program is sending two former scholastic shotgun shooters to the Olympics this year.

The Club Kitchen will be open for breakfast and lunch.

Ammunition to be provided by shooter—ammo will be available for purchase at range

Max 7.5 shot allowed

SILENT AUCTION

There will be a silent auction being held at Tucson Trap and Skeet the day of the event. The auction will consist of art from local artists, Firearms, shooting related accessories, Ladies packages, and much more. The silent auction will be closed prior to the awards ceremony and winners will be announced. We look forward to seeing you there. All proceeds will benefit the Tucson Shooting Stars a local scholastic Clay Target Program
